

FZ SERIES

FZ-11 6 FT 3-TIER DUMBBELL/KETTLEBELL RACK

3-TIER HEAVY FRAME DESIGN

commercial construction with a durable wrinkle black powder coat finish delivers exceptional stability

VERSATILE STORAGE SOLUTION

optimized for a complete 5-75 lb. dumbbell set or a 5-50 lb. set with an additional storage shelf for kettlebells and other training essentials

ERGONOMIC ANGLED STORAGE TRAYS

position dumbbells for a more natural grip, minimizing wrist strain during lift-off

PROTECTIVE RUBBER FEET

engineered for superior floor traction while helping preserve the appearance of facility flooring

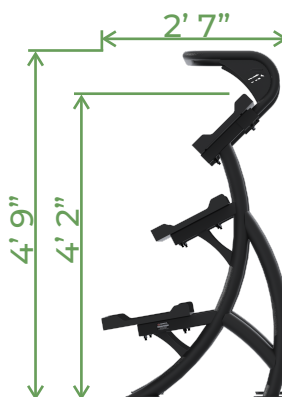

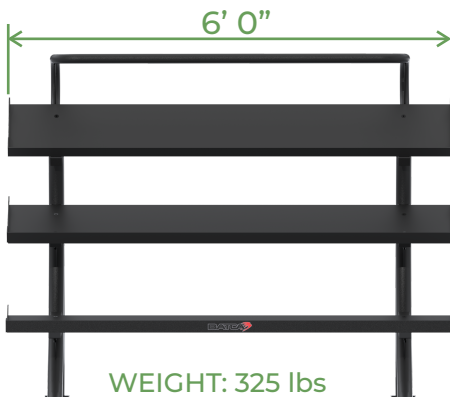

OPTIONAL BALL RACK

integrates seamlessly to maximize storage and keep training spaces and accessories organized

SOLID STEEL SHELVES

with welded side plates fully support dumbbells, reduce the risk of roll-off, while providing flexible storage
